# Christmas cards 2010

## Sold in support of our work with homeless people

The Connection at St. Martin's is a registered charity helping homeless people based in Trafalgar Square in London. We are the busiest centre for homeless people in the UK. Open every day and night of the week and see over 5,000 people every year.

### Every year we

- work with 1,200 rough sleepers out on the streets,
- place 1,700 people into accommodation
- help 2,000 people to return to their home areas
- help 1,250 people with training and employment
- help 300 people into jobs or training

Through our range of services, we aim to address and resolve the

issues faced by homeless people, empowering our clients to rebuild their lives away from the streets and, ultimately, to move towards independence.

### We make approximately £3 profit per pack sold.

- **20 packs** sold could pay for a homeless person to do our in-house **computer course** and achieve a qualification
- **10 packs** could pay for an **advice session**, where a homeless person is referred to accommodation and get specialist help for mental health, drug or other problems
- **1 pack** will pay for **3 meals** for a homeless person.
- **25 packs** could pay for an **emergency overnight stay** in the Night Centre

- I enclose a cheque for £ \_\_\_\_\_ (please make cheques payable to The Connection at St Martin's)
- Please debit my Maestro/MasterCard/Visa (please indicate type of card)
